New Business- Amendment to 01_2014 ordinance for ATV on the roads. As the original was only for 1 year. If there were no complaints we would extend it permanently, also in talking to the sheriff department they would rather have all roads open, due to the fact that officers do not have time to look at maps to see if a particular road is not approved. Motion to approve amendment 01_2015 by Michael Raddatz, 2nd by Nancy Reuter. Passed.

Light for flag pole is up and working.

Road Tour- State of Wisconsin states that we have to change all the stop signs, we have 36 and we have to change 25 at a cost of \$27.00 apiece. We are going to do wedging. County is not going to do chip sealing because the rocks are dirty. Wedging is \$47,000 a mile and chip sealing \$28,000 – \$30,000- a mile. Decided so far East end of Fox court 2150 feet. Railing by Creek on Fox Court. Town hall Road by golf course 2280 feet. Mike has not received the quotes from the county yet.

Sandy Podbearer variance – General contractor- Mike asked why not move it to the north side of the property. Contractor advised that all the septic, electric, and would also have to have 8 to 10 yards of fill which where it currently is would not need that. Mike Raddatz made motion to accept the Podberer variance, 2nd by Nancy Reuter. Passed

Blankenheimer variance- Mike stated he looked at the property and talked to Tom Onfrey and said need to get a survey. Recommendation to get a survey of the property and come back.

Digitizing the Town Records. - Jeff Fimreite will go over that at the BOR.

Wisconsin Towns Annual Meeting – Mike said did not have all information – and if anyone decides to go it is in Baraboo will need to get in. If there is a BOR class we should go to it.
