Building Permits- Mr Manthey who was at meeting for the driveway permit and wanted to know if he removed the driveway would he have to pay. Board stated it would need to be paid one way or another if he takes it out we would not charge. He will keep the driveway and pay permit. He wanted to know about the 22nd road and what repairs for this road and culverts. He stated that the road really did not need to be widened, but the 20 inch culverts on the road, there should be bigger culvert on the Northend should at least be 30 inch. Mike stated that they will be looking close at this in the spring. We are waiting to hear from the State on a grant that we have submitted. He stated that the Foot property or Schmidlock property may have put logs in the drainage ditch.

The board will look at concerns this spring and make notes to reference.

Caroline stated she called for a building permit for Wilson on W273 North Shore for addition and deck. They stated that they would pay back in November and still have not paid. Caroline stated if check was not received by Friday double the permit fee will be charged.

Fire meeting update from Brandon Frazer, stated that they were not doing anything at this time. They looked at the plans but due to towns not being able to afford additional funds to do this will be put on hold. Sault Ste Marie does not have funds. Brandon stated that we would need to buy the land first then start working on plans.

Credit card limits, Tom Breiling made motion to higher the limit to \$5000, 2nd by Brandon Frazer. Valorie will contact the bank to see if we can increase the limit.

With road funds reported 150 townships were put in for the funds but there were 1.4 billion total of which 524 million from towns. They also change that you would be able to complete in 6 yrs.
